

Spare filter for Dusty

Art. No.: 109 0432

Properties

- Easy and quick installation
- High collection capacity
- High filter efficiency
- Light, compact and stable construction

Technical Data

Filter

Filter surface	1.35 m ²
Type of filter	Filter cartridge
Filter material	Polyester fleece, KemTex® ePTFE membrane
Frame	Metal basket, filter medium fully glued
Foam gasket	Foam rubber sealing
Filter efficiency	> 99.9 %
Dust classification	M

Basic data

Diameter	218 mm
Dimensions (D x H)	218 x 315 mm
Weight	1.6 kg
