

Hand Cutting Table With Fixture

Art. No.: 99 840 0260

Applications

- Gas cutting by hand
- Apprenticeship, research and training centres
- Training departments in companies

Benefits

- Both hands are free to work thanks to the foot-operated mechanism for clamping the workpiece
- Robust manufacture ensuring safe working
- Easy cleaning thanks to the integrated slag tray
- Comfortable to work with thanks to ergonomically adapted sheet steel construction

Properties

- Workpiece clamping device with foot-operated mechanism for holding gas cutting equipment
- Integrated slag tray
- Suitable for connection to central extraction and filtering systems
- Robust steel plate construction

Technical Data

Basic data

| | |
|------------------------|---------------------|
| Height | 800 mm |
| Dimensions (w x h x t) | 1500 x 850 x 800 mm |

Additional information

| | |
|-------------------------|--------|
| Connection spigot | 160 mm |
| Recommended filter unit | 34 20 |
