Welding Training Table, with drawer
Art. No.: 95 021 300

Applications
- Apprenticeship and training centres
- Training departments in companies

Benefits
- By dividing the work surface, various welding operations can be taught at one workstation
- Durable due to robust steel construction

Properties
- Robust steel profile construction
- Two-section work surface: iron bar grating and sheet steel support surface with refractory material
- Can be integtared into KEMPER extraction booths
- With drawer

Scope Of Supply
- Iron bar grating
- Robust, welded, steel profile construction
- Sheet steel support surface with refractory material

Accessories
- Forced position welding fixture
