

Welding Strip Curtain S0, Transparent

Art. No.: 70 250 506

Applications

- For separating individual work and factory areas
- Protection against dust, drafts, wet and grinding sparks

Benefits

- Curtain can be moved aside due to fastening using eyelets or sliding hooks
- Rugged suspension system due to reinforced eyelets

Properties

- For fixing on a tube or a C-profile
- Self-extinguishing, class K 1, as per DIN 53 438, part 2
- Reinforced eyelets for fixing

Technical Data

Basic data	
Width	570 mm
Height	2800 mm
Thickness	1 mm
Weight	1.8 kg
Colour	transparent
Type	S0
