

Activated charcoal filter

Art. No.: 109 0505

Properties

- Easy and quick installation
- High filter efficiency
- Compact and solid design

Technical Data

Filter	
Type of filter	Activated carbon filter
Filter material	Charcoal based activated charcoal, high temperature steam activated
Foam gasket	Foam rubber sealing
Activated carbon filling volume	8 kg
Basic data	
Diameter	600 mm
Dimensions (D x H)	600 x 137 mm
Total weight	13.5 kg
