KEMPER®

FilterMaster XL

Comfortable operation
Comfortable adjustment of self-supporting exhaust arm into every desired postion with only one hand.

360° Radius
Maximum flexibilty of exhaust arm for use without any restrictions.

Large service door
For safe removel of collected dust.

40 % better capture rate
Less re-positioning work of exhaust arm due to larger capture area of the flanged hood.

Non-stop operation
Suitable for high levels of smoke and dust due to automatic filter cleaning.
