

Welding Training Table, with drawer

Art. No.: 95 026 300

Applications

- Apprenticeship and training centres
- Training departments in companies

Benefits

- By dividing the work surface, various welding operations can be taught at one workstation
- Durable due to robust steel construction

Properties

- Robust steel profile construction
- Two-section work surface: iron bar grating and sheet steel support surface with refractory material
- Can be integrated into KEMPER extraction booths
- With drawer

Technical Data

Basic data

Width	600 mm
Depth	1200 mm
Height	800 mm
Dimensions (w x h x t)	600 x 1200 x 800 mm

Scope Of Supply

- Iron bar grating
- Robust, welded, steel profile construction
- Sheet steel support surface with refractory material

Accessories

- Forced position welding fixture
