

Pivoting Arm, Column Mounted

Art. No.: 70 700 652

Applications

- For separating individual work and factory areas
- For protective welding curtains
- Protection against dangerous radiation from welding arcs and splashes

Benefits

- The partition can be slid into position due to the C-profile
- Space-saving because the pivoting arm can easily be folded aside
- Fast set-up of partition by simply unfolding the pivoting wall arm

Properties

- Pillar with pivoting arm
- For curtain version: C-Profile for fitting
- For curtain and panel version: Pipe (1") for fitting
- C-profile for mounting
- Length from 2 m to 6 m
- Note: Additional guy wire is provided only for pivoting arms with length of 5 m and 6 m

Technical Data

Basic data	
Length	4000 mm
Additional information	
	2165 mm

Scope Of Supply

- Pivoting arm
- Pedestal
