

FilterMaster XL

Comfortable operation

Comfortable adjustment of self-supporting exhaust arm into every desired position with only one hand.

360° Radius

Maximum flexibility of exhaust arm for use without any restrictions.

Large service door

For safe removal of collected dust.

Non-stop operation

Suitable for high levels of smoke and dust due to automatic filter cleaning.

40 % better capture rate

Less re-positioning work of exhaust arm due to larger capture area of the flanged hood.
